

SKETCH MAP TO SHOW THE ROUTE TAKEN ON THE FLIGHT

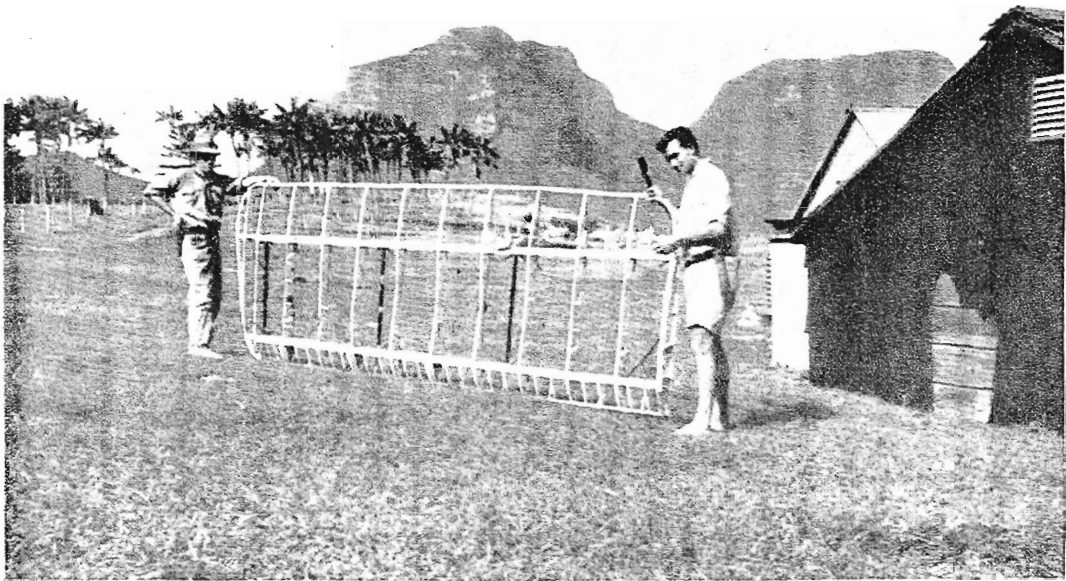

'The plane was dismantled in twenty minutes . . .'  
*See page 181*

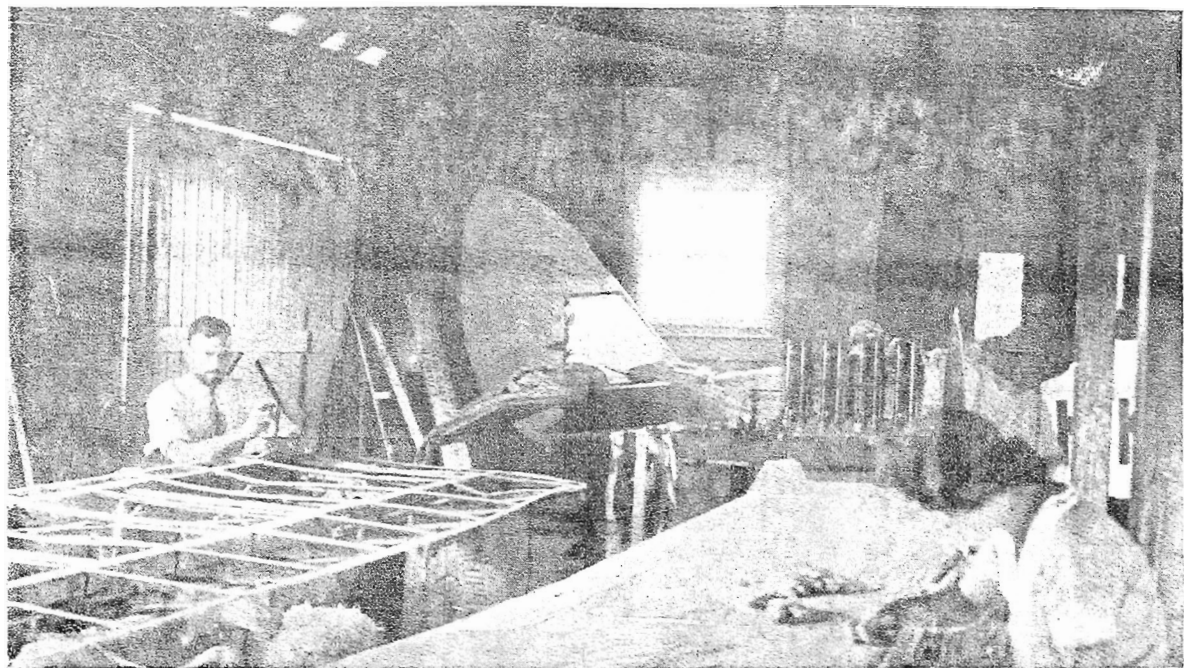

'The plane was now bumping upside down . . .'  
*See page 180*

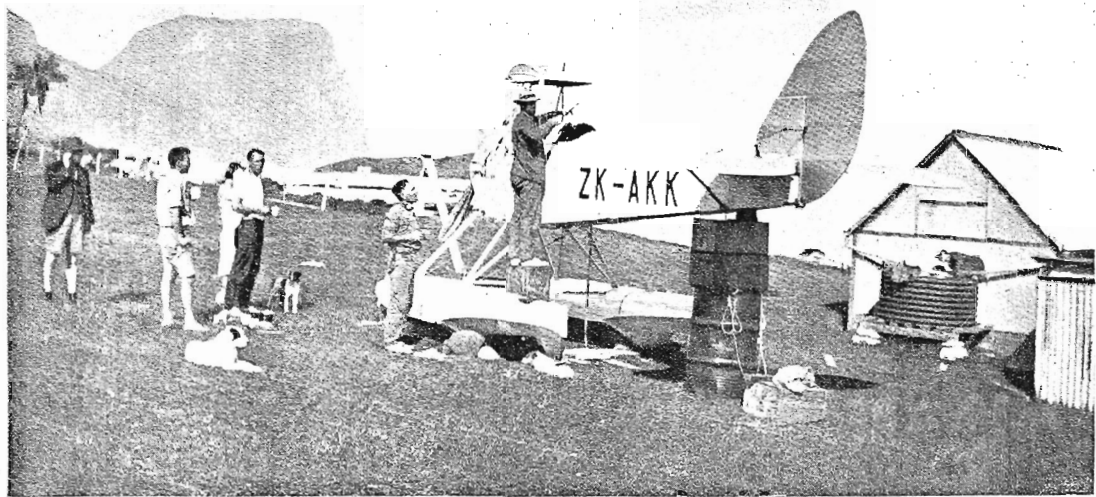

'Two men . . . helped me to dismantle the motor . . .'  
*See page 182*

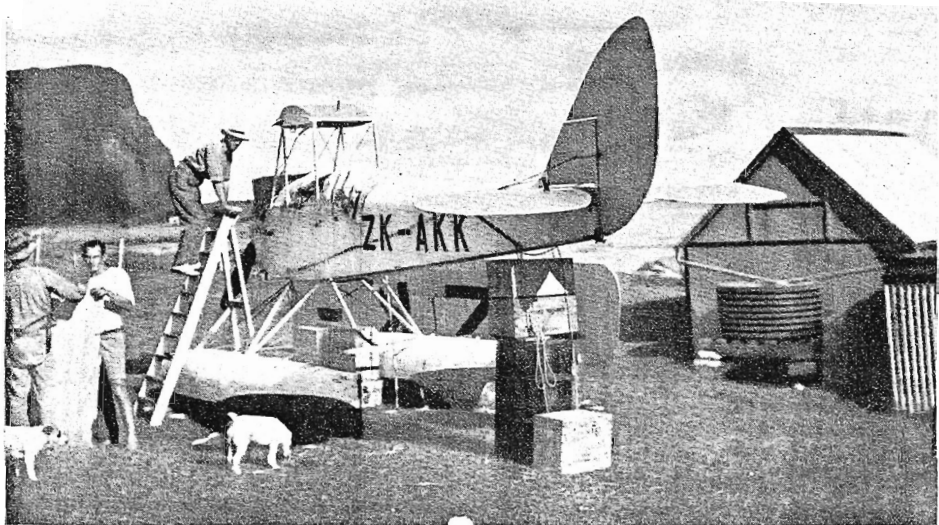

... the rebuilding of wings and aileron frames.  
*See page 236*

'... repairing, covering and doping went on all at the same time.'  
*See page 236*

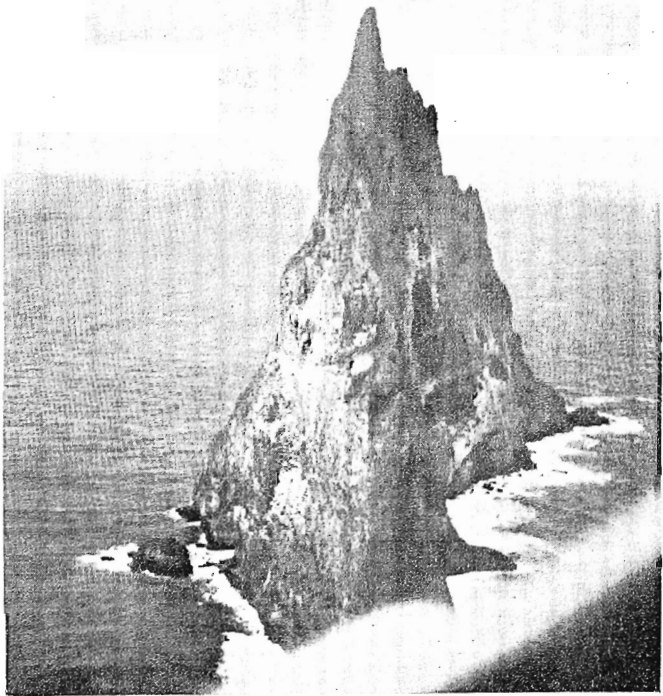

'... at last ... the plane seemed level all round.'  
*See page 249*

'With great difficulty we wedged the floats up on the sandbag foundation.'

*See page 249*

Ball's Pyramid, '1,800 feet high'.  
*See page 264*
